# Message from the Principal

Dear Esteemed Parents, Guardians, and Students,

We are delighted to present this newsletter as a powerful tool for enhanced communication. This newsletter serves as a gateway to keep you apprised of the latest developments within our school. It encapsulates crucial updates, spanning news, infrastructure enhancements, program highlights, and forthcoming events.

As we embark on yet another academic quarter, it is our privilege to look back on the remarkable journey we have collectively embarked upon over the preceding months. This journey has been characterized by a tapestry of enriching experiences, unforgettable events, and jubilant celebrations. These have not only forged deeper bonds within our school community but have also contributed significantly to the holistic development of our students.

Our "Thoughtful Mornings" initiative is a testament to our commitment to nurturing the well-being of our students. It encourages them to commence their day with positive affirmations, mindfulness exercises, and thought-provoking quotes. We firmly believe that this practice of cultivating a positive mindset at the outset of each day lays the bedrock for successful learning and personal growth. The daily morning sports regimen, on the other hand, is not only geared towards physical fitness but also imparts invaluable life lessons.

In our unwavering commitment to the well-being and skill development of our students, we have meticulously orchestrated a multitude of workshops. These workshops traverse an array of topics, ranging from effective study techniques to stress management and career guidance. Furthermore, the health camp has been strategically designed to promote healthy living practices and to raise awareness regarding the importance of maintaining a harmonious and balanced lifestyle.

The rich cultural diversity within our school community has been celebrated with fervor through various festivals over the past months. These festivities have served to elicit joy and unity among students, teachers, and parents. Our school steadfastly upholds the tradition of cherishing and celebrating the rich tapestry of cultural traditions that each student brings to the forefront.

The active participation of our students in the Interhouse Competitions has been a testament to their spirit of healthy competition and camaraderie. These diverse activities offer a platform for them to showcase their unique talents, nurture leadership qualities, and foster strong bonds with their housemates. The vigor and enthusiasm displayed by our students during these events have been truly remarkable.

As we cast our gaze upon the months of July- September, our commitment remains steadfast in fostering a culture of continuous learning and personal growth. Our dedicated educators have diligently prepared innovative teaching methodologies and captivating workshops designed to ignite curiosity and inspire exploration. In addition, we are thrilled to announce the expansion of our extracurricular activities, providing students with a diverse range of opportunities, spanning sports, arts, and community service initiatives, thereby enabling them to cultivate and showcase their individual talents.

Reflecting on the events organized in the second quarter, which encompassed a range of activities such as the exhibition on holiday homework, spirited celebrations of Independence Day and Janmashtami, special assemblies, community kite flying, and a unique celebration of Raksha Bandhan with our community helpers, the installation of DPSS Sapphire Interact Club, the joyous celebration of the successful landing of Chandrayan-3, along with numerous other notable accomplishments, have all added luster to our institution's cap. These experiences have enriched our students' holistic development, offering them opportunities for learning, exposure, and personal growth.

I wholeheartedly encourage open lines of communication. Your feedback and suggestions are invaluable to us, serving as essential guideposts that help us enhance the learning experience and further improve our school as a nurturing environment for growth and excellence.

Lastly, I wish to underscore the paramount importance of tending to our physical and mental well-being. Let us continue to support one another, thereby fostering a nurturing and inclusive environment where every individual feels empowered, valued, and capable of reaching their highest potential.

I extend my heartfelt gratitude to each and every one of you for your unwavering support, which has been instrumental in ensuring the success of our students. Your cooperation has generated a sense of unity and pride within our students. Be assured that DPS Sahibabad remains resolutely committed to providing the best possible education for the comprehensive growth and development of every student.

Thank you for being an integral part of our esteemed school community. Together, let's chart a course for the coming months filled with a deep commitment to learning, boundless growth, and the nurturing of positive energy.

Wishing you all a rejuvenating and exceptionally fulfilling year ahead.

Warm Regards,  
Bhawna Khanna  
Principal

# SUMMER TIME IS POOL TIME

**Life is cool by pool.... To beat the heat and cool off the tiny tots, DPS Sahibabad organized a pool bash for the students of kindergarten and primary school.
